Genius Group of Schools, Benin City.

EXPERIENCE

PureTech Computer Training Institute

Web-Developer Trainee

- Acquired foundational Front-End development skills, specializing in HTML, CSS, JavaScript, and responsive web design principles.
- Designed and built websites from scratch, focusing on creating user-friendly interfaces and applying unique styling techniques to enhance user experience.
- Gained hands-on experience with essential web development tools, including Git and GitHub for version control, Chrome Developer Tools for debugging, and techniques for page optimization.

- Collaborated as part of a team on the MetaMagnetAI project, contributing to the development and implementation of innovative web solutions.

Pond Management Support Service

ACHIEVEMENT

- Successfully organized and maintained a clean, productive pond environment
- Gained foundational knowledge in web development and content creation
- Demonstrated leadership and negotiation skills through practical course work

2020 - 2022, Benin City

- Managed feed procurement, scheduling, and fish health monitoring.
- Maintained water quality and oversaw equipment maintenance, including generators.
- Interacted with buyers and facilitated smooth sales transactions.
- Demonstrated strong organizational and problem-solving skills.

Computer Science Practical Project

School Project | October 2024

- Led the development of 3 applications from scratch using Visual Basic 6, handling all aspects of coding, testing, and deployment.
- Conducted thorough testing to ensure the functionality and performance of the applications.
- Worked closely with the group leader to ensure alignment with project goals and deliverables.
- Gained hands-on experience in project management, teamwork, and troubleshooting.

SELF-LEARNING JOURNEY

- Currently learning front-end web development with a focus on HTML, CSS, JavaScript and the MERN Stack
- Developing content creation skills using Canva for social media and branding
- Enhancing knowledge of social media marketing strategies
- Free code camp web development course.
